For deposit in the school ready children grants account of the early childhood Iowa fund created in section 256I.11:

..... \$ 2,693,057
 5,386,113

a. From the moneys deposited in the school ready children grants account for the fiscal year beginning July 1, 2012, and ending June 30, 2013, not more than \$265,950 is allocated for the early childhood Iowa office and other technical assistance activities. The early childhood Iowa state board shall direct staff to work with the early childhood stakeholders alliance created in section 256I.12 to inventory technical assistance needs. Moneys allocated under this lettered paragraph may be used by the early childhood Iowa state board for the purpose of skills development and support for ongoing training of staff. However, except as

otherwise provided in this subsection, moneys shall not be used for additional staff or for the reimbursement of staff.

b. As a condition of receiving moneys appropriated in this subsection, each early childhood Iowa area board shall report to the early childhood Iowa state board progress on each of the local indicators approved by the area board. Each early childhood Iowa area board must also submit an annual budget for the area's comprehensive school ready children grant developed for providing services for children from birth through five years of age, and provide other information specified by the early childhood Iowa state board, including budget amendments as needed. The early childhood Iowa state board shall establish a submission deadline for the annual budget and any budget amendments that allow a reasonable period of time for preparation by the early childhood Iowa area boards and for review and approval or request for modification of the materials by the early childhood Iowa state board. In addition, each early childhood Iowa area board must continue to comply with reporting provisions and other requirements adopted by the early childhood Iowa state board in implementing section 256I.9.

c. Of the amount appropriated in this subsection for deposit in the school ready children grants account of the early childhood Iowa fund, \$2,318,018 shall be used for efforts to improve the quality of early care, health, and education programs. Moneys allocated pursuant to this paragraph may be used for additional staff and for the reimbursement of staff. The early childhood Iowa state board may reserve a portion of the allocation, not to exceed \$88,650, for the technical assistance expenses of the early childhood Iowa state office, including the reimbursement of staff, and shall distribute the remainder to early childhood Iowa areas for local quality improvement efforts through a methodology identified by the early childhood Iowa state board to make the most productive use of the funding, which may include use of the distribution formula, grants, or other means.

d. Of the amount appropriated in this subsection for deposit in the school ready children grants account of the early childhood Iowa fund, \$825,030 shall be used for support of professional development and training activities for persons working in early care, health, and education by the early childhood Iowa state board in collaboration with the professional development component group of the early childhood Iowa stakeholders alliance maintained pursuant to section 256I.12, subsection 7, paragraph "b", and the early childhood Iowa area boards. Expenditures shall be limited to professional development and training activities agreed upon by the parties participating in the collaboration.

11. EARLY CHILDHOOD IOWA FUND — PRESCHOOL TUITION ASSISTANCE

.....	\$	2,714,439
		<u>5,428,877</u>

b. The amount appropriated in this subsection shall be used for early care, health, and education programs to assist low-income parents with tuition for preschool and other supportive services for children ages three, four, and five who are not attending kindergarten in order to increase the basic family income eligibility requirement to not more than 200 percent of the federal poverty level. In addition, if sufficient funding is available after addressing the needs of those who meet the basic income eligibility requirement, an early childhood Iowa area board may provide for eligibility for those with a family income in excess of the basic income eligibility requirement through use of a sliding scale or other copayment provisions.

12. EARLY CHILDHOOD IOWA FUND — FAMILY SUPPORT AND PARENT EDUCATION

a. For deposit in the school ready children grants account of the early childhood Iowa fund created in section 256I.11:

.....	\$	6,182,217
		<u>12,364,434</u>

b. The amount appropriated in this subsection shall be used for family support services and parent education programs targeted to families expecting a child or with newborn and infant children through age five and shall be distributed using the distribution formula approved by the early childhood Iowa state board and shall be used by an early childhood Iowa area board only for family support services and parent education programs targeted to families expecting a child or with newborn and infant children through age five.

c. In order to implement the legislative intent stated in sections 135.106 and 256I.9, that priority for home visitation program funding be given to programs using evidence-based or promising models for home visitation, it is the intent of the general assembly to phase in the funding priority as follows:

(1) By July 1, 2013, 25 percent of state funds expended for home visiting programs are for evidence-based or promising program models.

(2) By July 1, 2014, 50 percent of state funds expended for home visiting programs are for evidence-based or promising program models.

(3) By July 1, 2015, 75 percent of state funds expended for home visiting programs are for evidence-based or promising program models.

(4) By July 1, 2016, 90 percent of state funds expended for home visiting programs are for evidence-based or promising program models. The remaining 10 percent of funds may be used for innovative program models that do not yet meet the definition of evidence-based or promising programs.

d. For the purposes of this subsection, unless the context requires:

(1) "Evidence-based program" means a program that is based on scientific evidence demonstrating that the program model is effective. An evidence-based program shall be reviewed on site and compared to program model standards by the model developer or the developer's designee at least every five years to ensure that the program continues to maintain fidelity with the program model. The program model shall have had demonstrated significant and sustained positive outcomes in an evaluation utilizing a well-designed and rigorous randomized controlled research design or a quasi-experimental research design, and the evaluation results shall have been published in a peer-reviewed journal.

(2) "Family support programs" includes group-based parent education or home visiting programs that are designed to strengthen protective factors, including parenting skills, increasing parental knowledge of child development, and increasing family functioning and problem solving skills. A family support program may be used as an early intervention strategy to improve birth outcomes, parental knowledge, family economic success, the home learning environment, family and child involvement with others, and coordination with other community resources. A family support program may have a specific focus on preventing child maltreatment or ensuring children are safe, healthy, and ready to succeed in school.

(3) "Promising program" means a program that meets all of the following requirements:

(a) The program conforms to a clear, consistent family support model that has been in existence for at least three years.

(b) The program is grounded in relevant empirically-based knowledge.

(c) The program is linked to program-determined outcomes.

(d) The program is associated with a national or state organization that either has comprehensive program standards that ensure high-quality service delivery and continuous program quality improvement or the program model has demonstrated through the program's benchmark outcomes that the program has achieved significant positive outcomes equivalent to those achieved by program models with published significant and sustained results in a peer-reviewed journal.

(e) The program has been awarded the Iowa family support credential and has been reviewed on site at least every five years to ensure the program's adherence to the Iowa family support standards approved by the early childhood Iowa state board created in section 256I.3 or a comparable set of standards. The on-site review is completed by an independent review team that is not associated with the program or the organization administering the program.

e. (1) The data reporting requirements adopted by the early childhood Iowa state board pursuant to section 256I.4 for the family support programs targeted to families expecting a child or with newborn and infant children through age five and funded through the board shall require the programs to participate in a state administered internet-based data collection system by July 1, 2013. The data reporting requirements shall be developed in a manner to provide for compatibility with local data collection systems. The state board's annual report submitted each January to the governor and general assembly under section 256I.4 shall include family support program outcomes beginning with the January 2015 report.

(2) The data on families served that is collected by the family support programs funded through the early childhood Iowa initiative shall include but is not limited to basic demographic information, services received, funding utilized, and program outcomes for the children and families served. The state board shall adopt performance benchmarks for the family support programs and shall revise the Iowa family support credential to incorporate the performance benchmarks on or before January 1, 2014.

(3) The state board shall identify minimum competency standards for the employees and supervisors of family support programs funded through the early childhood Iowa initiative. The state board shall submit recommendations concerning the standards to the governor and general assembly on or before January 1, 2014.

(4) On or before January 1, 2013, the state board shall adopt criminal and child abuse record check requirements for the employees and supervisors of family support programs funded through the early childhood Iowa initiative.

(5) The state board shall develop a plan to implement a coordinated intake and referral process for publicly funded family support programs in order to engage the families expecting a child or with newborn and infant children through age five in all communities in the state by July 1, 2015.

13. BIRTH TO AGE THREE SERVICES

NEW SUBPARAGRAPH. (22) To the administrator of a family support program receiving public funds, if the data relates to a record check of an employee working directly with families.

Sec. 8. Section 256.86, Code 2011, is amended to read as follows:

256.86 Competition with private sector.

1. It is the intent of the general assembly that the division shall not compete with the private sector by actively seeking revenue from its operations except as provided in this chapter.

2. a. The division may receive revenue for providing services, products, and usage of facilities and equipment if one or more of the following conditions are met:

(1) The service, product, or usage is not reasonably available in the private sector.

(2) The division can provide the service, product, or usage at a time, price, location, or terms that are not reasonably available through the private sector.

(3) The service, product, or usage is deemed by the division to be related to public service or the educational mission of the division.

b. The division may charge reasonable fees for providing services, products, and usage of facilities and equipment in accordance with paragraph "a", including but not limited to a reasonable equipment and facilities usage fee.

c. Fees charged in accordance with this subsection shall be deposited in the capital equipment replacement revolving fund created pursuant to section 256.87.

3. It is not the intent of the general assembly to prohibit the receipt of charitable contributions as defined by section 170 of the Internal Revenue Code.

4. The board, the governor, or the administrator may apply for and accept federal or nonfederal gifts, loans, or grants of funds and may use the funds for projects under this chapter.

Sec. 9. Section 256.87, Code 2011, is amended to read as follows:

256.87 Costs and fees — capital equipment replacement revolving fund.

1. The board may provide noncommercial production or reproduction services for other public agencies, nonprofit corporations or associations organized under state law, or other nonprofit organizations, and may collect the costs of providing the services from the public agency, corporation, association, or organization, plus a separate equipment usage fee in an amount determined by the board and based upon the equipment used. The costs shall be deposited to the credit of the board. The separate equipment usage fee shall be deposited in the capital equipment replacement revolving fund.

2. The board may establish a capital equipment replacement revolving fund into which shall be deposited equipment usage fees collected under subsection 1 and funds from other sources designated for deposit in the A capital equipment replacement revolving fund is created in the state treasury. The revolving fund shall be administered by the board and shall consist of moneys collected by the division as fees and any other moneys obtained or accepted by the division for deposit in the revolving fund.

2. The board may expend moneys from the capital equipment replacement revolving fund to update facilities and purchase technical equipment for operating the educational radio and television facility its operations.

3. Notwithstanding section 12C.7, subsection 2, interest or earnings on moneys in the revolving fund shall be credited to the revolving fund. Notwithstanding section 8.33, moneys in the revolving fund that remain unencumbered or unobligated at the close of the fiscal

year shall not revert to any other fund but shall remain available in the revolving fund for the purposes designated.

Sec. 10. Section 261.19, subsection 3, Code Supplement 2011, is amended to read as follows:

3. A health care professional recruitment revolving fund is created in the state treasury as a separate fund under the control of the commission for deposit of moneys appropriated to or received by the commission for use under the program. ~~The commission shall deposit payments made by health care professional recruitment program recipients and the proceeds from the sale of osteopathic loans awarded pursuant to section 261.19, subsection 2, paragraph "b", Code 2011, into the health care professional recruitment revolving fund. Moneys credited to the fund shall be used to supplement moneys appropriated for the health care professional recruitment program, for loan repayment in accordance with this section, and to pay for loan or interest repayment defaults by program recipients. Notwithstanding section 8.33, any balance in the fund on June 30 of any fiscal year shall not revert to the general fund of the state but shall remain in the fund and be continuously available for loan forgiveness under the program. Notwithstanding section 12C.7, subsection 2, interest or earnings on moneys deposited in the fund shall be credited to the fund.~~

Sec. 11. Section 261.25, subsections 1 and 2, Code Supplement 2011, are amended to read as follows:

1. There is appropriated from the general fund of the state to the commission for each fiscal year the sum of ~~forty-three~~ forty-five million five hundred thirteen thousand four hundred forty-eight dollars for tuition grants.

2. There is appropriated from the general fund of the state to the commission for each fiscal year the sum of ~~four~~ two million dollars for tuition grants for students attending for-profit accredited private institutions located in Iowa. A for-profit institution which, effective March 9, 2005, or effective January 8, 2010, purchased an accredited private institution that was exempt from taxation under section 501(c) of the Internal Revenue Code, shall be an eligible institution under the tuition grant program. For purposes of the tuition grant program, "*for-profit accredited private institution*" means an accredited private institution which is not exempt from taxation under section 501(c)(3) of the Internal Revenue Code but which otherwise meets the requirements of section 261.9, subsection 1, paragraph "b", and whose students were eligible to receive tuition grants in the fiscal year beginning July 1, 2003.

Sec. 12. NEW SECTION. 268.7 Science, technology, engineering, and mathematics collaborative initiative.

1. A science, technology, engineering, and mathematics collaborative initiative is established at the university of northern Iowa for purposes of supporting activities directly related to recruitment of prekindergarten through grade twelve mathematics and science teachers for ongoing mathematics and science programming for students enrolled in prekindergarten through grade twelve.

2. The collaborative initiative shall prioritize student interest in achievement in science, technology, engineering, and mathematics; reach every student and teacher in every school district in the state; identify, recruit, prepare, and support the best mathematics and science teachers; and sustain exemplary programs through the university's Iowa mathematics and science education partnership. The university shall collaborate with the community colleges to develop science, technology, engineering, and mathematics professional development programs for community college instructors and for purposes of science, technology, engineering, and mathematics curricula development.

3. Subject to an appropriation of funds by the general assembly, the initiative shall administer the following:

a. Regional science, technology, engineering, and mathematics networks for Iowa, the purpose of which is to equalize science, technology, engineering, and mathematics education enrichment opportunities available to learners statewide. The initiative shall establish six geographically similar regional science, technology, engineering, and mathematics

networks across Iowa that complement and leverage existing resources, including but not limited to extension service assets, area education agencies, state accredited postsecondary institutions, informal educational centers, school districts, economic development zones, and existing public and private science, technology, engineering, and mathematics partnerships. Each network shall be managed by a highly qualified science, technology, engineering, and mathematics advocate positioned at a network hub to be determined through a competitive application process. Oversight for each regional network shall be provided by a regional advisory board. Members of the board shall be appointed by the governor. The membership shall represent prekindergarten through grade twelve school districts and schools, and higher education, business, nonprofit organizations, youth agencies, and other appropriate stakeholders.

b. A focused array of the best science, technology, engineering, and mathematics enrichment opportunities, selected through a competitive application process, that can be expanded to meet future needs. A limited, focused list of selected exemplary programs shall be made available to each regional network.

c. Statewide science, technology, engineering, and mathematics programming designed to increase participation of students and teachers in successful learning experiences; to increase the number of science, technology, engineering, and mathematics-related teaching majors offered by the state's universities; to elevate public awareness of the opportunities; and to increase collaboration and partnerships.

4. The initiative shall evaluate the effectiveness of programming to document best practices.

Sec. 13. Section 284.13, subsection 1, paragraphs a, b, c, and d, Code Supplement 2011, are amended to read as follows:

a. For the fiscal year beginning July 1, ~~2011~~ 2012, and ending June 30, ~~2012~~ 2013, to the department of education, the amount of ~~six~~ five hundred eighty-five thousand dollars for the issuance of national board certification awards in accordance with section 256.44. Of the amount allocated under this paragraph, not less than eighty-five thousand dollars shall be used to administer the ambassador to education position in accordance with section 256.45.

b. For the fiscal year beginning July 1, ~~2011~~ 2012, and ending June 30, ~~2012~~ 2013, an amount up to two million ~~three~~ four hundred ~~ninety-five~~ sixty-three thousand ~~one~~ five hundred ~~fifty-seven~~ ninety dollars for first-year and second-year beginning teachers, to the department of education for distribution to school districts and area education agencies for purposes of the beginning teacher mentoring and induction programs. A school district or area education agency shall receive one thousand three hundred dollars per beginning teacher participating in the program. If the funds appropriated for the program are insufficient to pay mentors, school districts, and area education agencies as provided in this paragraph, the department shall prorate the amount distributed to school districts and area education agencies based upon the amount appropriated. Moneys received by a school district or area education agency pursuant to this paragraph shall be expended to provide each mentor with an award of five hundred dollars per semester, at a minimum, for participation in the school district's or area education agency's beginning teacher mentoring and induction program; to implement the plan; and to pay any applicable costs of the employer's share of contributions to federal social security and the Iowa public employees' retirement system or a pension and annuity retirement system established under chapter 294, for such amounts paid by the district or area education agency.

c. For the fiscal year beginning July 1, ~~2011~~ 2012, and ending June 30, ~~2012~~ 2013, up to six hundred thousand dollars to the department for purposes of implementing the professional development program requirements of section 284.6, assistance in developing model evidence for teacher quality committees established pursuant to section 284.4, subsection 1, paragraph "c", and the evaluator training program in section 284.10. A portion of the funds allocated to the department for purposes of this paragraph may be used by the department for administrative purposes and for not more than four full-time equivalent positions.

d. For the fiscal year beginning July 1, ~~2011~~ 2012, and ending June 30, ~~2012~~ 2013, an amount up to one million one hundred four ~~thirty-six~~ thousand eight ~~four~~ hundred ~~forty-three~~ ten dollars to the department for the establishment of teacher development

academies in accordance with section 284.6, subsection 10. A portion of the funds allocated to the department for purposes of this paragraph may be used for administrative purposes.

Sec. 14. REPEAL. 2011 Iowa Acts, chapter 132, section 99, is repealed.

Sec. 15. EFFECTIVE UPON ENACTMENT. The section of this division of this Act amending 2011 Iowa Acts, chapter 132, section 7, subsection 1, paragraph a, being deemed of immediate importance, takes effect upon enactment.

DIVISION II WORKER TRAINING PROGRAMS IN COMMUNITY COLLEGES

Sec. 16. Section 84A.6, Code Supplement 2011, is amended by adding the following new subsection:

NEW SUBSECTION. 4. The department of workforce development, in consultation with the college student aid commission, shall issue a quarterly report identifying industries in which the department finds a shortage of skilled workers in this state for the purposes of the skilled workforce shortage tuition grant program established in section 261.130.

Sec. 17. Section 260C.18A, subsection 2, Code Supplement 2011, is amended by adding the following new paragraph:

NEW PARAGRAPH. j. Development and implementation of the national career readiness certificate and the skills certification system endorsed by the national association of manufacturers.

Sec. 18. Section 260I.2, Code Supplement 2011, is amended to read as follows:

260I.2 Gap tuition assistance program — fund.

1. A gap tuition assistance program is established to provide funding to community colleges for need-based tuition assistance to applicants to enable completion of continuing education certificate training programs for in-demand occupations.

2. a. There is established for the community colleges a gap tuition assistance fund in the state treasury to be administered by the department of education. The funds in the gap tuition assistance fund are appropriated to the department of education for the gap tuition assistance program.

b. The aggregate total of grants awarded from the gap tuition assistance fund during a fiscal year shall not be more than two million dollars.

c. Moneys in the fund shall be allocated pursuant to the formula established in section 260C.18C. Notwithstanding section 8.33, moneys in the fund at the close of the fiscal year shall not revert to the general fund of the state but shall remain available for expenditure for the purpose designated for subsequent fiscal years. Notwithstanding section 12C.7, subsection 2, interest or earnings on moneys in the fund shall be credited to the fund.

Sec. 19. Section 260I.7, Code Supplement 2011, is amended to read as follows:

260I.7 Initial assessment.

An applicant for tuition assistance under this chapter shall complete an initial assessment administered by the community college receiving the application to determine the applicant's readiness to complete an eligible certificate program. The assessment shall include assessments for completion of a national career readiness certificate, including the areas of reading for information, applied mathematics, and locating information. ~~An applicant must achieve a bronze-level certificate or the minimum score required for an eligible certificate program, whichever is higher, in order to be approved for tuition assistance.~~ An applicant shall complete any additional assessments and occupational research required by an eligible certificate program.

Sec. 20. **NEW SECTION. 261.130 Skilled workforce shortage tuition grant program.**

1. A skilled workforce shortage tuition grant may be awarded to any resident of Iowa who is admitted and in attendance as a full-time or part-time student in a career-technical or career

option program to pursue an associate's degree or other training at a community college in the state, and who establishes financial need.

2. Skilled workforce shortage tuition grants shall be awarded only to students pursuing a career-technical or career option program in an industry identified as having a shortage of skilled workers by a community college after conducting a regional skills gap analysis or by the department of workforce development in the department's most recent quarterly report pursuant to section 84A.6, subsection 4.

3. The amount of a skilled workforce shortage tuition grant shall not exceed the lesser of one-half of a student's tuition and fees for an approved career-technical or career option program or the amount of the student's established financial need.

4. All classes identified by the community college as required for completion of the student's approved career-technical or career option program shall be considered a part of the student's career-technical or career option program for the purpose of determining the student's eligibility for a grant. Notwithstanding subsection 5, if a student is making satisfactory academic progress but the student cannot complete a career-technical or career option program in the time frame allowed for a student to receive a skilled workforce shortage tuition grant as provided in subsection 5 because additional classes are required to complete the program, the student may continue to receive a skilled workforce shortage tuition grant for not more than one additional enrollment period.

5. a. A qualified full-time student may receive skilled workforce shortage tuition grants for not more than four semesters or the trimester or quarter equivalent of two full years of study. A qualified part-time student enrolled in a course of study including at least three semester hours but fewer than twelve semester hours or the trimester or quarter equivalent may receive skilled workforce shortage tuition grants for not more than eight semesters or the trimester or quarter equivalent of two full years of full-time study.

b. However, if a student resumes study after at least a two-year absence, the student may again be eligible for the specified amount of time, except that the student shall not receive assistance for courses for which credit was previously received.

6. A skilled workforce shortage tuition grant shall be awarded on an annual basis, requiring reapplication by the student for each year. Payments under the grant shall be allocated equally among the semesters or quarters of the year upon certification by the community college that the student is in full-time or part-time attendance in a career-technical or career option program consistent with the requirements of this section. If the student discontinues attendance before the end of any term after receiving payment of the grant, the entire amount of any refund due that student, up to the amount of any payments made under the annual grant, shall be paid by the community college to the state.

7. If a student receives financial aid under any other program, the full amount of that financial aid shall be considered part of the student's financial resources available in determining the amount of the student's financial need for that period.

8. The commission shall administer this program and shall:

a. Provide application forms for distribution to students by Iowa high schools and community colleges.

b. Adopt rules for approving career-technical or career option programs in industries identified by the department of workforce development pursuant to section 84A.6, subsection 4; determining financial need; defining residence for the purposes of this section; processing and approving applications for grants; and determining priority for grants.

c. Approve and award grants on an annual basis.

d. Make an annual report to the governor and general assembly. The report shall include the number of students receiving assistance and the industries identified by the community colleges and by the department of workforce development pursuant to section 84A.6, subsection 4, for which students were admitted to a career-technical or career option program.

9. Each applicant, in accordance with the rules established by the commission, shall:

a. Complete and file an application for a skilled workforce shortage tuition grant.

b. Be responsible for the submission of the financial information required for evaluation of the applicant's need for a grant, on forms determined by the commission.

c. Report promptly to the commission any information requested.

d. Submit a new application for reevaluation of the applicant's eligibility to receive a second-year renewal of the grant.

Approved May 25, 2012
